Annual Giving
TFS is a non-profit organization. While tuition fees cover the basic operational costs, it is the philanthropic support that provides for an enhanced educational experience - everything from technology, program and facility enhancements to scholarships. These additional resources would not be possible without the generosity of our community.

Busing
TFS offers a shuttle from the West Campus to Toronto, which is complimentary for Toronto-campus bound students who attended the West Campus. Parents need to register in the spring for the service.
